www.centytoys.com

Centy Toys, established in 1990, is India's leading brand engaged in manufacturing Automobile Miniatures. We have always offered exemplary detail, sturdy design and affordable toys for your kids, for decades now.

Our most comprehensive range of fun-filled Pull Back Toy Series includes Cars, Buses, Trucks, Aeroplanes, Trains and many more, which never fail to excite children to play with them and make everlasting memories!

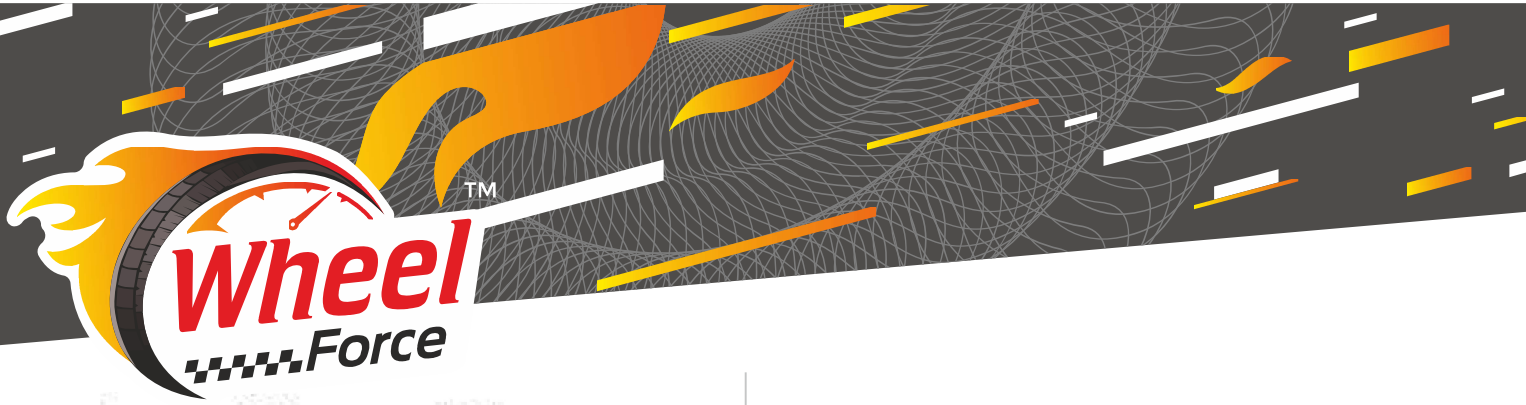

With In-house Toy Design Studio and Mold-Making Facility, our core strength lies in our capability to innovate realistic toy designs to meet the fast growing pace of commercial market.

Today, we have a stronghold in both, modern trade and wholesale distribution of our toys, pan India.

Most of Our toys meet International Toys Safety Quality Standards like EN71, ASTM F963, IS-9873 and AS/NZ 8124.

Our Mission: To keep evolving our skill-set in toy manufacturing to ensure Assured Quality and Affordability to our customers.

Our Vision: To produce toys which meet International Quality Standards and lead the baton to India's mission of selling "Made in India" toys worldwide.
